

A Brian House Fund Raising Project for 2024

Dear families of Our Lady's

Next term Brian House are undertaking a project called the Elmer Trail Blackpool. They have approx. 40 large elephants, sponsored by local business and these will make up an outdoor trail in April 2024.

Alongside this, 39 Blackpool schools will paint a smaller elephant. These elephants will be included in the trail but they will be located inside buildings. Our Lady's will be taking part in this project. Year 5 and 6 have already been sharing their ideas on possible designs and fund raising ideas.

Our un painted Elmer will be arriving in school this week.

Many of you will know that Brian House is a children's hospice. We are working to sensitively help our children understand why Brian House is such a special place. To take a pathway that is sad and turn it on its head to bring out positivity every single day is most certainly special. Many of you have already in the past encouraged your own children to get involved in fund raising for this charity. Lots of our children see it as an important local charity. We will be fund raising through the Spring term.

We thought that we would dedicate the upcoming Christmas Jumper / Non Uniform day to this and we are inviting you to make contributions after each of the nativity and Christmas services in the next two weeks to kick off this fund raising project. Next term the cake sales and further events will also be for this worthy cause.

Thank you in advance for your support with this.

Mrs Mannix on behalf of the staff team.
