

The Our Lady's design a bookmark competition

For World Book Day 2021 we would like you to design your own bookmark. Be as creative as you like! Your bookmark might be full of pictures of your favourite book characters or it may have a quote on it from your favourite book. We are so excited to see what you create! Here is the template:

There will be a winner from KS1 and KS2. The winners will have their bookmarks published and each child in school will receive one. Please have your entries back to your teacher by Monday 8th March. Good luck!
